# Faithful To The Fellowship

Do you know what is happening in America today? People are claiming to be Christians but they do not belong to and are not faithful to a local fellowship. Such a thing was unheard of in the Bible!

To be a Christian meant that you were faithful to the fellowship, and you attended when everyone gathered together. If you stopped attending, the church assumed that you were an apostate and lost.

Let me ask you...what do you do that is more important than being a part of the blood-bought body of the Lord Jesus Christ? What is more important than the local visible expression of the body of Christ? Hebrews 10:25 says, "Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching."
