Who Goes To War With Zero Training?

Adrian Rogers - March 5, 2020

When they heard that, they were cut to the heart, and took counsel to slay them. Acts 5:33

Suppose you're on the battlefield and someone's coming at you. You warn him, "Don't come any further! I'll shoot!" He answers, "I don't believe in your gun. As a matter of fact, I don't believe in guns at all." That's not going to change anything, is it?

Likewise, the Bible is the Sword of the Spirit. Someone may say, "Well, I don't believe the Bible." But it will cut him anyway! The apostles preached the Scripture, and when the people heard it, they were cut to the heart. The Word cuts even an unbeliever. It's a two-edged sword. It cuts to heal, or it cuts to judge. But it will cut believe it or not.

Before going into battle, soldiers are dedicated to training in the use of their weapons. How foolish to go into battle without training. How familiar are you with your Sword?

God has given you a weapon for spiritual battles—the Sword of the Spirit. In the armor of God, it is the only offensive weapon—the rest are defensive. To have the victory God wants for you, you must see the sharpness of your sword, the Bible, and you must be trained in it.
