Eternity . . .

Adrian Rogers - Saturday, December 29, 2018

That whosoever believeth in Him should not perish, but have eternal life. John 3:16

Your soul, made in the image of God, will exist forever. I think Billy Sunday, the evangelist, said it this way: "Imagine a little bird taking a grain of sand and flying to a distant planet. It would take him a million years to fly to that distant planet. Then he would drop that grain of sand. Then the little bird would fly back to the earth taking another million years. He gets another grain of sand and flies back to the distant planet.

"Back and forth, back and forth it goes. When he will have transplanted every speck of earth to that distant planet, it will only be breakfast time in eternity."

Your soul will go on, and on, and on.

Where do you plan on spending eternity? Where do your loved ones plan on spending it? If you don't know, ask them today and get their salvation on the right side of eternity.
