# Why Do You Love Your Spouse?

Adrian Rogers - February 8, 2022

Husbands, love your wives, even as Christ also loved the church, and gave himself for it; Ephesians 5:25

The Bible says a husband is to love his wife as Christ loved the Church, and that is an unconditional love. It is not performance-based love: *But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us.* (Romans 5:8). *For when we were yet without strength, in due time Christ died for the ungodly.* (Romans 5:6). When you have unconditional love as Christ has for the Church, let me tell you what it's going to do for your home: It's going to give security in the place of fear. It's going to give peace in the place of guilt. And it's going to give joy that will replace anger. This kind of love is an act of the will. How does God love us? Do you think God loves us romantically? Do you think God loves us because we're lovely? No, God loves us as an act of His will.
